Pursuant to the Stipulation and Order Setting Revised Track 2 Deadlines, Docket No. 7665, fact discovery in these cases closed on May 17, 2013. Under Civil Local Rule 37-3, motions to compel fact discovery are required to be filed within seven days after the discovery cut-off. However the Court has approved numerous stipulations to extend the May 24, 2013 deadline.

The Court now finds it appropriate to set <u>July 26, 2013</u> as a final deadline by which all motions to compel fact discovery must be filed. This deadline replaces the earlier deadlines to file motions to compel fact discovery that the Court has approved between various parties. The Track 2 parties are hereby notified that the Court will not grant any further extensions beyond this date absent a compelling reason. The extension of the motion to compel deadline does not impact or change any other deadlines

¹The Court has permitted amendments to this deadline for certain parties pursuant to stipulations received by these parties.

currently set by the Court.

IT IS SO ORDERED.
